**ADVANCE DIRECTIVES**

The offices of Jeri Shuster, M.D., P.A., and Women's Center, Inc., now have available, for your convenience, a copy of the "Maryland Advance Directive" on our website [www.jerishustermd.com](http://www.jerishustermd.com). Once you are on our website, go to 'Medical History Forms', then go to Advance Directives, located under the Existing Patient Forms section. If you do not have access to the internet, please ask the receptionist to make a copy for you.

**Any questions on these forms should be directed to your own personal advisors.** If you already have an Advance Directive, please bring a copy to our office for your records.

**We also would like to let you know that:**

*In the event of a life threatening emergency, this center will normally provide medically appropriate emergency care until you can be transferred to an acute care hospital. If you have an Advance Directive that would affect care in an emergency, please bring it to the center's attention and discuss how it should apply.*
