INFORMED CONSENT: REMOVAL OF CERVICAL POLYP (ENDOCERVICAL POLYPECTOMY)

I hereby request and authorize Dr. Jeri Shuster or a doctor authorized by Dr. Shuster to perform upon me the removal of a polyp from my cervix.

I have been advised of the nature and purpose of the proposed surgical procedure(s), the nature of my condition, alternative types of treatment and the prognosis with vs. without treatment.

I have been given ample time to make my decision to undergo this procedure. I have been given the opportunity to consult with other physicians concerning my condition and the treatment if I so desire.

I understand that the risks of office GYN surgical procedures include infection and bleeding. I understand that this polyp could recur and that new polyps may develop in the future. Following the procedure, lightheadedness, weakness, nausea, or cramping may occur. Menses solution may be present, resulting in several days of brown/black/grey discharge following the procedure.

I am aware that circumstances could arise during the course of treatment which could necessitate the performance of operations and procedures which are different from, or in addition to, those now contemplated. I am aware that the practice of medicine & surgery are not exact sciences and that there are risks and complications associated with this procedure. The possibility of severe blood loss, infection, injury, and rarely, cardiac arrest are associated with this procedure. I authorize my physician with her assistants to perform additional procedures which, in their judgment, are incidentally necessary to carry out my treatment.

I authorize the emergency administration of blood or blood products.

If applicable, I consent to the taking of intra-operative photographs during the course of this procedure.

I authorize the examination by an authorized individual of any tissue or sample removed from my body as a result of the procedure(s) as well as disposal of same.

I understand that I have the right to refuse any medical or surgical procedures or treatment.

I certify that I have read and fully understand the above consent and have no further questions which I need answered prior to the procedure and that all the blanks on this form have been filled in.

DO NOT SIGN THIS FORM UNLESS YOU HAVE READ THE FORM AND UNDERSTAND THE FORM.
